Tiebreakers

1. First tiebreaker is head to head.
2. Second tiebreaker is fewest points allowed between tied teams. Once one team is eliminated the tie between two teams remaining would revert to head to head.
3. If the second tiebreaker would not eliminate a team then fewest points allowed overall is the third tiebreaker. Once a team is eliminated the tie between two teams in the third tiebreaker would revert to head to head.
4. In the event of no clear cut team being eliminated than multiple coin flips would decide the 1st place or 2nd place winner.

Second team listed is home
